The 2011 **DIVE 4 A CAUSE** charity event will be held once again in August. This year the proceeds will be donated, to the most common, fatal genetic disease affecting Canadian children and young adults.

How can you participate?

Participation Method #1: Join us on a fund raising dive. Register with a \$20.00 pledge to join the dive. Download the sponsor form and have your family, friends, co-workers, sponsor you.

Participation Method #2: Become a Sponsor. Dedicate one of your Club dives to fund raise. Use the downloadable pledge form to collect donations or pledge online.

Participation Method #3: Make a pledge online. The online pledge site will be set up especially for us, prior to the dive event.

Set a realistic goal and try to pass it. Every penny helps! So, remember, don't take long to think about this...step up and make a difference!!!!

Dive For a Cause is sanctioned by the Ontario Underwater Council and complies with all the requirements and practices set forth by the OUC. Event participants must be OUC members or Member Club Guest Divers

Dive 4 A Cause

The Vision

Mission Statement

To engage the diving community and the general public in supporting a common charitable goal by raising awareness, collecting funds, engaging in a safe and enjoyable dive and remitting all collected funds to the chosen charity.

Event Values / Goals

- Charity to be nominated and voted on by last years participants
- Event scope to remain a manageable size
- Event to be all inclusive to all OUC member participants within the scope of safety but without bias
- Event workload to remain manageable to foster a safe, enjoyable and an annually repetitive experience
- Event venue to be interesting while remaining safe for all involved
- Build up enough public support to allow for self sustaining event organization to be done at a provincial level
- Event is to promote interest, collaboration, safety and awareness

The Cause

Cystic fibrosis

Cystic fibrosis (CF) is the most common, fatal genetic disease affecting Canadian children and young adults. There is no cure for cystic fibrosis. CF is a multi-organ disease, primarily affecting the lungs and digestive system. You can find plenty of information on the website: www.cysticfibrosis.ca

Past Recipients

The charity for next year's event will be chosen by this year's participants.

2010 - the Tobermory Hyperbaric Clinic & Chamber was the recipient of over \$3,000 in donations

2009 - over 50 participants and volunteers raised \$4,446.04 for the Judy Dan Wound Care Center

2008 - 35 registered participants raised a total of \$7,570.00 for Epilepsy Research in North America

2007 – International Vasa Previa Foundation

Eleanora Kolar - Dive 4 A Cause Committee Chair
